

# Resource 1.1: DRG Eval Toolkit Module Map

How can we use the Map?

- **First step: Identify Improvement** areas from the results of the DRG Self Assessment Checklist.
- **Second step: Prioritize VOPE** areas for improvement.
  - Tip: we recommend VOPEs to identify and address their needs and actions, using the following categories:
    - Individual Capacities,
    - Institutional Capacities and
    - Enabling Environment.
- **Third step:** Once your needs are identified, **find resources and tools** in this map.
- **Fourth step:** Navigate the toolkit and **take Action!**
