# Annual General Meeting, Paris, France

Dear EES members,

You are cordially invited to the EES General Meeting 2014, which will take place **on Friday, 7 March 2014, from 15:15 till 16:00 (CET), Paris, France.**

### **A General Meeting is convened to approve a new membership fee structure for the EES:**

- the annual membership fee will increase from EUR 125 to EUR 150
- a new two-year membership category at a rate of EUR 250 will be introduced

If adopted, the proposals will take effect as of 1 April 2014

With these amendments, the EES Board intends to create an incentive for a two-year above a one-year membership. A more attractive two-year membership would ultimately improve the cash-flow situation of the Society, which especially in non-conference years, is generally weak - in spite of the extra non-conference-year events that we have been organising since 2011. We need your support for the Society!!

The agenda for the upcoming Annual General Meeting as well as minutes of the 2013 GM held in Paris, 13 December 2013 can be found in the [member area](#).

Following the Statutes (Art. 16) the EES Board decided to hold the AGM with the help of electronic communication means. To participate on-line to the Annual General Meeting the visitors should use the link after login into member area. For more information about the address of the venue, instructions how to log in please [click here](#).

We look forward to meeting you online at the General Meeting.

Kind regards,

**Bastiaan de Laat**

EES Secretary General
