

Resource 5.1 DRG Evaluation E Learning Module

In 2019, the International Organization for Cooperation in Evaluation (IOCE), with the support of the United States Department of State's Bureau of Democracy, Human Rights, and Labor (DRL) developed an e-learning module about Democracy, Human Rights and Governance Evaluation.

This module complements a set of 10 other basic and advanced modules that constitute the Eval Partners e-learning program.

This module is a useful tool to promote individual capacity development in a virtual manner and can contribute to the planning of other related training initiatives .

The DRG Evaluation e learning module will be available soon in www.evalpartners.org
