

Resource 5.2 Tips and steps to host Workshops on DRG Evaluation

This tool gives a set of basic steps and useful tips to implement a workshop on DRG

Step 1

Identify the need and define the target audience

Step 2:

Explore potential partnerships

Find who would be interested in joining your idea!

Be aware of the importance of having common principles
and/or values to ensure synergies

Step 3:

Identify valuable experiences and invite talented presenters

An agile presentation using language familiar to the audience, pertinent examples and interactive
dynamics can make your initiative more attractive!

Step 4

Design an attractive format and interactive dynamics.

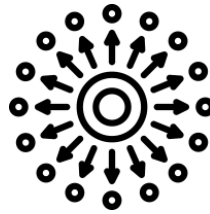

Be innovative!

Ensure a good planning and stimulate interaction with the audience!

Step 5

Design and implement a vast multipronged dissemination strategy, Be aware that, in order to successfully disseminate, you should use custom messages and channels.

Step 6

Implement your workshop!

Step 7: Keep in touch with the audience!

Register, contact and share new opportunities!
